

## **OTHER SICK AND INJURED NON-PROFIT ORGANIZATIONS**

Below are a few other sick and injured pet resources that may also help you in your search for assistance in areas that we may not. Or, they may not have the same parameters.

Please keep in mind that each organization is independent and has their own set of rules and guidelines; you will have to review each one to determine if you qualify for assistance:

### **FOR DOGS ONLY**

### **FOR EITHER DOGS OR CATS**

[Brown Dog Foundation](#)

[Dylan's Heart](#)

[Onyx and Breezy](#)

[Red Rover](#)

[Rose's Fund](#)

[STARelief](#)

[The Magic Bullet Fund](#) (cancer-specific)

[The Pet Fund](#) (non-basic, non-urgent such as cancer treatment, heart disease)

## **OTHER FINANCING OPTIONS**

Sometimes when time is too critical to apply for funding, there may be credit or payment options for immediate approval that you can use at your veterinarian's office:

### **SCRATCH PAY**

Scratchpay is a payment plan for medical financing, some with zero percent interest. It is not a credit card so it doesn't affect your credit score. No hidden fees. [Apply here](#) from your cell phone or computer.

### **CARE CREDIT**

A line of credit available to use at veterinarian offices. Not all office allow, so check what vets accept it and [apply here](#). This also may offer zero percent interest for 6 months repayment plans.
